BEACHFRONT LEAMINGTON PAVILION ,BARBADOS

BEACHFRONT LEAMINGTON PAVILION , 4 BEDROOMS , 4 BATHROOMS

OVERVIEW

Leamington Pavilion is a two and a half acre beachfront estate. It consists of a four-bedroom Italianate pavilion and a one-bedroom [beach cottage](#). The cottage may be rented separately or as additional accommodation.

This delightful Oliver Messel styled home is in a beautiful setting on the beach front. It is an elegant and tastefully decorated house steeped in history dating back to the 1930's. Notable owners include the Heinz family and for a time it was the American Ambassador's home.

Today it retains its classical charm but with a modern kitchen and butler's pantry. These are equipped with sub zero fridges and freezers. You will find all that you would want for entertaining friends and family.

The Chef makes sure you don't have to spend time in the kitchen and the butler and great housekeeping staff take care of all the rest.

Recently renovated and refurbished, Leamington's meticulous décor blends luxurious furnishings and noteworthy antiques. There are personalized touches to make the villa truly one of a kind.

The villa is filled with European and Caribbean-inspired artwork. These include paintings, sculptures and hand-painted furniture. There is also a selection of artisanal finishes such as sculpted cornices and coral stone archways.

Leamington Pavilion features air conditioned bedrooms and ensuite marble bathrooms. It has numerous sitting areas and a memorable coral stone dining room which opens out onto the pool & garden area. You won't find many more romantic places to dine in Barbados.

Leamington Pavilion Barbados has beautifully landscaped grounds providing natural privacy. It also has a large heated swimming pool with two elegant poolside gazebos. These are perfect for dining or relaxing. There is also a tennis court and modern gym on premises.

The highly trained staff at Leamington Pavilion Barbados will ensure your holiday in this luxurious setting is a truly carefree and relaxing experience.

There is a reef which is great for snorkeling in front of the Pavilion and good swimming a short distance to the north.
