BEACHFRONT - SHOESTRING ,BARBADOS

BEACHFRONT - SHOESTRING , 3 BEDROOMS , 3 BATHROOMS

OVERVIEW

Shoestring is a lovely 3 bedroom home located on Gibbes Beach, Barbados. Gibbes Beach is one of the most beautiful, quiet beaches on the west coast of Barbados.

Shoestring is one of the newest additions to the villa rental market in Barbados.

Set right on the beach against a backdrop of tall trees this is a wonderful beach front home. It is designed in simple, contemporary style. There are large living areas and louvre windows with glass doors. From here there are extensive views of the turquoise waters in front of the house.

The beach and swimming outside the house is second to none.

The design in Shoestring is minimalistic with smooth granite finishes. There is plenty of glass and straight lines.

The ambience is one of peace and tranquility. A quiet haven on a stunning golden beach.

The master bedroom suite is on the upper level. The master suite is built around a large glass shower enclosure. It has an unrivalled view of the sea. The sea is so close you feel you could reach out and touch the turquoise waters. There is an outdoor terrace from the bedroom with jacuzzi where you can relax glass in hand under the stars. The outdoor terrace is a relaxing, calming place to sit and enjoy the views with the sound of the sea ebbing and flowing below.

The other two bedrooms are on the lower level. Both have en suite bathrooms. One has a cool bath tub as well as shower. There is a garden view.

All bedrooms have king sized beds and air-conditioning and ceiling fans. The bed in one of the bedrooms can be converted into twins.

The design is open plan. The kitchen and living areas are open plan and let in an abundance of light. The modern kitchen is well equipped and has a central island.

The space is clean, modern and uncluttered. Furnished in neutral, calming colours.

Shoestring is rented with attentive staff. These comprise a cook/housekeeper and a laundress. Their aim is to ensure you have a most enjoyable stay. They will create delicious meals and keep the home spic and span.

Gibbes beach is well positioned between Hometown and Speightstown. The beach at Gibbes is one of the finest on the west coast with fabulous swimming. The beach gently slopes into the clear azur waters. It is an ideal location for guests of any age.

Speightstown is a delightful, unspoilt, historic town. It has an abundance of restaurants and bars. There is a supermarket, banks and other useful shops.

Holetown is approximately 15 minutes drive away. Here you will find Lime Grove shopping centre. It provides duty free shopping and an array of bars and restaurants. There is also a well stocked supermarket here.

There are some water sports operators at nearby Mullins Beach. They often offer guests water skiing, banana boat rides, para sailing and hobie cats. There is something for everyone at this property.

***No children under 18 allowed.**

NOTE: Whilst every effort has been made to describe the beach in front of this property, beaches can change in shape and size from day to day and week to week. This is mainly as a result of seasonal waves, currents and tides.
